Say It Loud!

NEWSLETTER

September 7th, 2021

The Sickie Cell Association of New Jersey

Greetings everyone and welcome to September, Sickie Cell Awareness Month! We have a full agenda this month and I look forward to your participation. As you review the listings below, please make a commitment to do support however you can to improve conditions for individuals living with sickie cell disease.

Every day during the month of September, supporters are asked to walk in the location of their choice. Some of our community partners will host in person walks that you are welcome to join, or meet us on the 26th at the Van Vleck Gardens for our Annual Garden Walk and Stroll (see below). If you are walking outside, be sure to follow health safety guidelines for COVID-19. Post your

pictures and videos and tag us on social media. Include a fact about sickle cell disease and include #SickleCellWalkTheTalk. Make a donation and encourage others to donate. One step at a time we will make a difference.

—Mary Bentley LaMar, Executive Director

THANK YOU VERTEX FOR YOUR SPONSORSHIP!
