

Our Mission: In concordance with the mission of The Sickle Cell Disease Association of America; “to advocate for and enhance our membership’s ability to improve the quality of health, life and services for individuals, families and communities affected by sickle cell disease and related conditions, while promoting the search for a cure for all people in the world with sickle cell disease.”

We are here to help, advocate and educate in the fight against sickle cell disease.

Organization incorporated on September 1, 2009.

Programs and services available statewide
